

## Them Days

CALLING ALL ARTISTS & ILLUSTRATORS! 🎨✍️

Them Days is working on exciting new graphic projects, and we're looking for illustrators to help bring Labrador stories to life.

We're looking for:

- Artists interested in putting Them Days in graphic novel or comic book format
- Illustrators who want to collaborate with animators to create animated shorts

If you have a strong visual style and a passion for storytelling, we want to hear from you.

✉️ Submit your expression of interest and samples of your work to [editor@themdays.com](mailto:editor@themdays.com)

Open to artists near and far — but we especially encourage submissions from Labrador-based creators.
